

NASA Ames Robotics
Team 254 - "The Cheesy Poofs"
San Jose, CA
team254.com

You're Invited!

Team 254, Team 1868, and the NASA Robotics Alliance Project will be hosting a pre-ship practice weekend. We will have a nearly regulation size field, with official competition playing field elements. We are hoping to see as many teams as possible!

What	NASA Ames Pre-Ship Practice Weekend & Scrimmage
Where	NASA Ames Research Center, Moffett Field, Mountain View, CA
When	Saturday, February 16 th — 9:30 AM to 9:30 PM Sunday, February 17 th — 9:30 AM to 9:30 PM

NASA Entry Policies

Driving to NASA:

- Please send less than six student representatives due to space restrictions.
- Two adult mentors must be present with each team at all times.
- Team adults must drive students to the Practice Field.

Requesting a Visitor's Pass:

- **YOU WILL NEED A VISITOR PASS TO GET TO THE PRACTICE FIELD**
If you have not requested one, the guards at the gate will turn you away.
- Anyone over the age of 18 years must request a visitor pass and must be a US CITIZEN (non US Citizens will not be granted a Visitor's pass)
- Visitor Passes must be requested **NO LATER THAN** Wednesday, February 13th at noon.

Safety Procedures

- Safety Glasses **must** be worn at all times.
- Closed toed shoes are required.

Suggested Items to Bring:

■ Batteries & Chargers	■ Safety Glasses
■ 25' Extension Cord & Power Strip	■ Ethernet Cable (for tethered control)
■ Computer to Program Robot	■ Operator Controls (& Power Supply Unit, Enable/Disable Switch)

If you have any questions please email scotty@team254.com
We hope to see you there!
